when I found a flying carpet. I would go to a state that I have seen before. I would look around and maybe I'll see an angel. and if it doesn't hurt me I would go around it, and when I was done, I would go where I would see more flying. I like my flying carpet. it takes me places I have never been. I like to see things, I would let me go to the Super Bowl, because I like going to Football Game. and other spots that I like. and I could ride it for school. I would go to a place that don't like for people. when my mom got half to take me. and if I had a nap money, and I wrote to go some far and my mom won't take. but I could take my flying carpet. to where I would go. but when I let it go because my 1 day was up. and I never seen it into one day it came back to me. and it takes me places, and I can do is tell where I want to go. it takes me to the South Pole it was cold I lost the South Pole. and then He takes, and I got to see a bear and it has been 2 days. and I stay and it. and when I like it so much. it would stay 3 months with me and. that was the best 3 months of my life.

**Score Point: 2**

This response is considered flawed. A low degree of proficiency in narrative writing skills is reflected. The writer addresses the prompt and adds some general details about places to visit while riding the carpet. However, serious writing errors impede the writer's ability to communicate.
